The Transnational Association of Christian Colleges and Schools (TRACS) values the role of information provided by students, employees, and others in performing its role of monitoring institutional compliance with TRACS Accreditation Standards. TRACS is also interested in assuring that member institutions maintain appropriate complaint / grievance and due process procedures, provide procedural fairness, and consistently apply their policies and procedures.

Complaints Against A Member Institution

The TRACS procedures for the review of complaints involving member institutions are designed to enable TRACS to address possible violations of the TRACS Accreditation Standards and the proper and uniform application by institutions of their own policies and procedures, as they relate to the TRACS Accreditation Standards.

TRACS only considers complaints against member institutions which are in accordance with the following:

- The complaint or allegation contains no defamatory statements.
- All attempts have been taken to resolve the issue through all formal means available to the complainant, including the institution’s published complaint / grievance and due process procedures before the complaint is submitted to TRACS.
- The matter regarding the complaint is not currently in an institution’s formal proceedings or in litigation. TRACS may, at its discretion, choose to proceed with the review of a complaint in such cases if there is substantial, credible evidence that indicates systemic problems with the institution against which a complaint has been filed or if a delay would harm the complainant.
- The Complaint Processing Form and supporting documents are submitted in hard copy and in accordance with the provisions detailed in this policy. Complaints made verbally, anonymously, submitted electronically or through facsimile transmission will not be considered.
- TRACS will not act on complaints submitted on behalf of another party.

The TRACS complaint procedures are for the purpose of addressing any significant noncompliance by member institutions with the TRACS Accreditation Standards, policies, or procedures. The TRACS complaint policy is not designed to involve TRACS either as an arbiter in disputes between individuals and member institutions, or as a reviewing authority in individual matters concerning an institution’s normal role in the daily functioning of the institution including disciplinary matters or contractual rights. TRACS does not act as a grievance panel for cases where the outcome of a grievance is unsatisfactory to a complainant.
Thus, TRACS will not interpose itself as an adjudicatory or grievance-resolving body in matters including:

- Admission
- Granting or transfer of academic credit
- Grades
- Fees
- Student financial aid
- Student discipline
- Transcripts
- Collective bargaining, faculty or staff appointments, promotion, tenure, contractual rights and obligations, and dismissals or similar matters.

Responsibilities of Institutions

1. The institution has adequate policies and procedures for addressing student and employee complaints and is responsible for demonstrating that it follows those procedures when resolving complaints. Institutions are expected to be in compliance with the appropriate TRACS Standards regarding processes for handling complaints by students and employees.

2. The record of all complaints is maintained in a designated office, is made available to TRACS upon request and is made available for review by Evaluation Team members as part of the institution’s scheduled reviews for Candidate, Accredited and / or Reaffirmation status.

   b. TRACS is unable to determine compliance at that time and the case will either be included in any already scheduled visits to the institution or if Focus Team will be sent to the institution to examine documents, interview appropriate individuals, make a determination regarding the compliance of the institution, and prepare a report with recommendations for the institution to bring areas of non-compliance into compliance.
   c. No response was received from the institution or evidence suggests the institution is in significant non-compliance with one or more TRACS Standards and what steps will be taken to correct the non-compliance issues, up to and including possible adverse action.

7. If the President of TRACS determines that either b. or c. above is applicable, by the end of the 30 working days, the President of TRACS will notify the complainant and the institution that a determination regarding the complaint has been made and which of the above options TRACS will pursue.

8. As appropriate, the President of TRACS will present the findings of any Focus Team report to the Commission along with a recommendation for specific action at the next scheduled meeting; at which time the Commission will make a decision regarding the disposition of the complaint and any determinations of non-compliance. The decision of the Commission is final.

9. Following the Commission meeting, the complainant and institution will be notified of the final decision of the Commission.

TRACS BP211. B. stipulates the following:

When the President of TRACS determines from an institution’s annual report, the findings of an Evaluation Team, the findings of a staff visit, findings resulting from a complaint against an institution, or any other source available that an institution may not to be in compliance with one or more of the Accreditation Standards, the President of TRACS will initiate a review of that institution.
Any findings of non-compliance discovered from that review may lead to an action against the institution.

Complaints Against TRACS

Complaints against TRACS are limited, in that:

(1) Individuals may file a complaint against TRACS on matters on which they believe they have been personally aggrieved. This type of complaint covers those situations in which an individual believes that TRACS staff did not follow TRACS policies and procedures in the handling of a previously filed complaint against a member institution.

(2) Institutions may file a complaint against a TRACS staff member, an agency representative, or TRACS Commissioner for an alleged failure to follow TRACS policy or procedure, for an alleged bias against the institution, or if there is an alleged conflict of interest with a TRACS staff member or TRACS Commissioner in dealing with an institution.

In order to be considered a formal complaint against TRACS, a complaint must involve issues broader than a concern about a specific institutional action.

Complaints and the News Media

TRACS believes that it is in the best interest of TRACS, complainants, and member institutions
to deal with members of the news media in a consistent and timely manner. TRACS has the
responsibility to protect the integrity and privacy of both the complainant and the institution.
All telephone calls or e-mails from members of the media shall be forwarded to the President
of TRACS. Neither the President of TRACS nor any staff member shall comment on specific
situations involving member institutions or offer responses to hypothetical situations.

Media shall be directed by the President of TRACS to the appropriate location on the TRACS
website for information regarding the Complaint Policy and TRACS Standards.

Means of Communication

After the receipt of an official complaint, follow-up correspondence may be in writing,
through e-mail, or by any reasonable means which helps to facilitate a solution to the issues
at the lowest possible level.

Retention of Records

Official complaints will be retained in the TRACS Office. Should a number of official complaints
against a member institution suggest a pattern of concern which may evidence a significant
lack of compliance with TRACS Standards that was not evident from any individual
complaint, TRACS may renew its consideration of the matter for whatever action may be
appropriate. All records regarding official complaints shall be retained for a minimum of 5
years.
